

Print Mail Logistics Limited Market Release

25 November 2009

Subscription for Minority Interest in Armstrong Registry Services Limited

Print Mail Logistics Limited has subscribed for a minority interest in Queensland based registry services provider, Armstrong Registry Services Limited.

Armstrong Registry Services Limited provides tailored registry services solutions to listed and unlisted companies and funds. With talented staff and first class technology, Armstrong Registry Services Limited is equipped with the resources and skills to appropriately communicate with their clients' key stakeholders in a personalised and timely fashion.

Managing Director, Nigel Elias said, 'both Print Mail Logistics Limited and Armstrong Registry Services Limited are in the business of efficient, effective and precise communication. There is a positive synergy existing between the work undertaken by Armstrong Registry Services Limited and Print Mail Logistics Limited. This synergy has the potential to create additional income for Print Mail Logistics Limited'.
