Review and results of operations

The primary assets of the Fund are cash and receivables.

A change in market conditions on some individual assets within the asset backed securities, managed investment schemes and fixed interest securities has resulted in the full impairment of these assets.

The Directors are of the view that the Fund is a going concern and the financial statements have been prepared on that basis.

The performance of the Fund, as reported in the Statement of Comprehensive Income, was as follows:

	Half-year to 31 December 2014	Half-year to 31 December 2013
	\$000's	\$000's
Net Loss for the half year	(1,118)	(2,282)
Cash payment (cents per unit)	-	-

At 31 December 2014 the asset allocation of the Fund was as follows:

	31 December 2014	30 June 2014
Mortgage Loans	-	-
Management Investment Schemes	-	-
Alternative Investments	-	83.1%
Cash Investments	100.0%	16.9%
Fixed Interest Investments	-	-

Due to the reduction in the assessed carrying value of the Fund's investment portfolio, these asset allocations are outside the target allocation guidelines contained in the Product Disclosure Statement which was issued on 2 July 2007 ('PDS'). The definitions of each of the above asset categories are set out in the PDS.

Directors Report (continued)

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Premium Income Fund,

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Premium Income Fund, which comprises the balance sheet as at 31 December 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of Wellington Capital Ltd, the responsible entity, are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Premium Income Fund, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Premium Income Fund is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Trust's financial position as at 31 December 2014 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.
